HOW TO BE A
PRODUCTIVITY NINJA

with Graham Allcott
60-90min

In this session, Graham will:

- Encourage delegates to reflect on current habits and practices.
- Guide delegates through the 9 Characteristics of the Productivity Ninja, including the benefits of their implementation.
- Help delegates to improve their focus with Productivity Ninja approved apps and tactics for each characteristic.
- Provide advice, practical tools and practices to combat distraction, information overload, and a rapidly changing business environment.

With a focus on characteristics such as Agility, Zen-Like-Calm and Preparedness – the practices Graham introduces will help to equip the team with the tools they need to confront periods of pace and change. At the end of the session, delegates will walk away with inspiration and individual action plans to develop long-lasting Productivity Ninja skills.
